

Lecture Revision

1. Gestalts principles of perception
2. Factors affecting user perception
3. What is user-centered design?

Project Structuring in Figma

<https://www.figma.com/file/DXGJ5jmjuJX3RqGKSQJJPF/%F0%9F%9A%80-Project-Starter-Template?type=design&node-id=1515%3A5&mode=design&t=GlwWHPJnCWjpsWPa-1>

- When making designs in figma, please note that we can add more than one pages,
- We can make figma fun using emojis.
 - Use emojis for page namings. (How can we make this fun and functional?)
 -
